LE CONTEE

La collezione Le Contee unisce lo stile classico al design moderno grazie ai suoi colori brillanti a finitura lucida uniti al supporto a struttura anticata che richiama l'aspetto delle mattonelle tradizionalmente forgiate a mano mantenendo le irregolarità naturali nei bordi e nelle superfici.

The Le Contee collection combines classic style with modern design, thanks to its bright colors with a glossy finish and an aged structure support that recalls the appearance of traditionally hand-forged tiles, preserving the natural irregularities in the edges and surfaces.
